Cornish Griffin Round Barn Restoration Pledge

At this time Wood-Land-Lakes RC&D wishes to accept pledges of monetary support. When there is enough interest and support for the restoration, work may begin on the project ~ possibly as early as spring of 2008. Restoration efforts will not begin until donations, pledges, and grants are in place to complete the exterior restoration. When sufficient pledges are received, we will ask you to honor your pledge at that time.

Pledge Amount \$ _____

Name: _____

Address: _____

City, State, Zip: _____

Phone and/or Email: _____

Please mail pledge to:
